

*Dear Marian Hospice,*

*There are surely no words that will ever adequately express our gratitude and love for all of you. The kindness, dignity and compassion with which you worked with Dad was beyond the call of duty. We were so blessed to share Dad's final days and moments with professionals with hearts as big as yours. Our family spends the days healing, laughing, loving – but mostly knowing that Dad is at peace. You gave us comfort, information, support and guidance in the most incomprehensible of times. The beautiful moments we were given were made possible in those final days by what all of you do. We are eternally grateful.*
